## Hand-Dyeing Charges for Silk Yarns & Silk Ribbons (full skeins)

All our yarns and ribbons (page 1) are available in 100 hand-dyed colors. Our yarns are special because they are hand-dyed in Colorado. It can be expected that colors will vary from dye lot to dye lot. Irregularities within a skein are part of the hand-dyeing process.

For the total price of a dyed yarn, add the dyeing charges to the cost of the natural yarn or ribbon. You may mix and match yarns and ribbons to be dyed **the same color** to take advantage of the multi-skein dyeing rates.

1 skein	\$15.00 per color
2 skeins	\$ 7.50 per skein of the same color
3-10 skeins	\$ 7.00 per skein of the same color

Please allow 4 weeks for dyeing. We try to be quicker but cannot guarantee speedier service.

Dye orders of \$150 or more require a non-refundable 25% deposit%.

Each skein that is 200g or more will be charged \$15.00/skein and does not qualify for the multi-skeins dyeing rates.
