DYEING CHARGES FOR SILK YARNS & RIBBONS

All of our yarns and ribbons (except 32mm ribbon) are available in 100 hand-dyed colours.

For the total price of a dyed yarn, add the dyeing charges to the cost of the natural yarn.

Our yarns are special because they are hand-dyed. It can be expected that colours will vary from dye lot to dye lot. Irregularities within a skein are a part of the hand dyeing process.

1 or 2 skeins \$15.00/colour

3 skeins or more \$7.00/skein/colour

** Please allow **4 weeks** for dyeing.

** Dye orders of \$150 or more require a non-refundable deposit of 25%.

** Skeins of 200g or more will be charged \$14.00/skein.

SILK FUSION

Silk Fusion is a perfect canvas for machine or hand stitching, printing, origami, quilting, jewelry, wearable art, book coverings, collage and on and on! Silk Fusion is a unique process that bonds silk fibres into a kind of "felt" which can be gossamer and transparent or opaque and thick like leather. Silk's rich lustre and texture is captured in this exciting medium.

The Magic of Metamorphosis

The life cycle of the silkworm is described in detail along with beautiful drawings: from egg to cocoon, to moth, to silkworm again.

The reeling of silk is also depicted and shows how the silken strand is released from the cocoon and made into yarn and cloth.

The back is filled with fascinating information on the silk trade.

Beautiful for a studio wall or as a teaching tool spanning science, culture and history.

RECYCLED SARI SILKS

Colours vary in each package. **\$4.95** each

SARI STRIPS

Each package has 2-3 yards of 2 or 3 strips of beautiful silk sari fabric. The strips can be ironed or left wild and fluffy. The width of the strips varies from 2.5" to 9". Colours vary.

SARI RIBBON

Strips of silk sari approximately 1/2" to 1" wide have been sewn together to make one continuous kaleidoscope of woven silk ribbon. Each package has multiple colours. 5 yards/package.

SARI YARN

Strips of multicoloured sari fabric have been spun with silk fibre to make a firm and vivid yarn. 5 yards/package.

RECYCLED SILK YARN

Recycled silk fibres are handspun into a vibrant and textured yarn. Because there are no dye lots, no two skeins are exactly alike. 10 yards/package.

Needle felting is a creative and fun way to turn carded wool fibre into felted three dimensional animals, flowers, balls, pictures and more. The only equipment required is a felting needle, some wool fibre and a piece of foam. The quick transformation from wool to finished project makes this a good choice for youngsters. *The projects should be created with adult supervision as the needles are sharp.*

Kit contains:

Beginners Project Book | 2 Needles | 50g (1.75oz) Dyed Wool Fibre

Choose from three colour combos.
